

DIVE INTO THE PHYSICS OF LIFE!

BIOSC 1470: Biophysical Chemistry

Location, Time, & Prerequisites

- 9:00 - 9:50 AM
- 208 Cathedral of Learning
- BIOSC 1000 or BIOSC 1810

Instructor

Dr. Andrew VanDemark

Why take this class?

- Understand how physical and chemical properties govern biological systems
- Explore modern techniques such as...
 - X-ray Crystallography
 - Cryo-electron microscopy
 - Biophysics in drug design
- Great class for those interested in research & medical careers
- Required for all Biochemistry majors but can fulfill elective requirements for biology, computational biology, & molecular biology majors
